

SuperGlide Hitch Cover Instructions

Part #3134

(fits #3100 model)

1. Place the hole, located on the back left corner of the hitch cover, over the handle of the hitch.
2. Pull the front and back portions of the cover snugly over the hitch.
3. Pull the sides of the cover down both sides of the hitch and attach the J-channels.

NOTE: To clean the hitch cover, use mild soap and water with a soft cloth. DO NOT use a brush, harsh chemical or abrasive. DO NOT scrub the logo area or power wash.
