

CLEAN BED TECHNOLOGY (CBT)

KING PIN ADAPTER

Easy to install and clamps in place. Converts your trailer's king pin to a hitch ball.

HITCH BASE

Lightweight, but stronger than aluminum models at only 64 lbs.!

GOOSENECK RECEIVER

Installs over your truck's gooseneck ball. Quickly and easily removed with pins and clips!

BED SAVER RAILS

Detachable bed rails, not mounted to your truck bed, minimize surface wear and bed rail crushing.

SINGLE POINT (1P) ATTACHMENT

Designed for use with OE and aftermarket gooseneck mounting systems
